Dear Parents/Carers

Forest View Junior School is currently working within the Sherwood Forest Education Partnership and we are keen to get the wider community involved in our Heritage Project. We feel that it is vitally important that the children of Ollerton understand their heritage and that of the local area.

In order to do this, we are asking all staff, parents and carers if they would be willing to share any knowledge they may have with regard to life in and around the colliery. This could be through photographs, memories, artefacts or stories. If you, or a family member could contribute anything of relevance then please complete and return the slip below.

Many Thanks for your support.

Yours sincerely

Mrs R Harrison/Mrs H Bee
