09 December 2016

Dear Parents/Carers

On Tuesday, 06 December I received a very positive phone call from Ofsted. The outcome of the conversation was that Ofsted have decided to defer our inspection until a later date when we are 'The Forest View Academy'.

We believe this is fantastic recognition for our school. If Ofsted did not believe we are still functioning as a very good school, then an inspection would have taken place.

Our school continues to achieve higher than the national average in reading, writing and maths even with the demands of the new Year 6 SATs tests. There has been a huge influx of children arriving at our school over the last three years. Our whole school attendance figure has significantly increased from 94.4% in 2012/13 to 96.1% in 2015/16.

At Forest View we work hard to provide the best possible education for your children and I want to thank everyone, including staff, parents, governors and the children for all of your ongoing support. I am excited about the next chapter when we become 'The Forest View Academy' and I firmly believe if we continue to work collaboratively, we will go from strength to strength.

Merry Christmas and Happy New year.

Yours sincerely

Mr G Worthington
