Dear Parents/Carers

Firstly we would like to say thank you to all those parents that send dinner money in on time but we would like to remind you that if your child would like a school meal then dinner money must be sent in on a **Monday morning** (unless your child is absent). Dinner money is currently £2.22 per day, £11.10 per week. Please place it in a **named envelope/purse** with your child's class and the days he/she would like a meal. Cheques should be made payable to 'Forest View Junior School'. Your child can choose which days of the week they would like a school meal, however if you change this during the week please let the office know. Education Catering will not accept supplementary dinner money and late payments cause extra administrative work. Our school Chef also needs to know at the beginning of the week how many dinners have been ordered for that week.

If your child brings money for tuck shop please send it in a separate purse/envelope, in small change if possible.

If you have any queries with the above please come into school and speak to the office staff.

Yours sincerely
Mr G Worthington
Headteacher
