## **Statement of Intent**

The Trustees of **The Forest View Academy** will meet their responsibilities under the Health and Safety at Work Act and other health and safety legislation to provide safe and healthy working conditions for employees, and ensure their work does not adversely affect the health and safety of others (including; pupils, visitors, contractors etc.). Details of how this will be achieved are given in this health and safety statement.

The Trustees will ensure that effective consultation takes place with all employees on health and safety matters and that individuals are consulted before allocating particular health and safety functions to them.

Where necessary the Trustees will seek specialist advice to determine the risks to health and safety in the school and the precautions required to deal with them.

The Trustees will provide sufficient information and training in health and safety matters to all employees in respect to the risk of their health and safety.

The Trustees requires the support of all staff to enable the maintenance of high standards of health and safety in the schools activities.

The school is committed to continually improving its health and safety performance.

This statement includes a description of the organisation of the school and its arrangements for dealing with different areas of risk. Details of how these areas of risk will be addressed are outlined in the arrangements section.

### **Signed:**

(Chair of Trustees)

### **Date:**

**Signed:** 

(Principal) Mrs Ruth Harrison

**Date: 29/09/2020**

## **Organisational Structure and Responsibilities**

### **Management Structure**

The structure chart outlines key roles and responsibilities within the schools health and safety management system.

### **Responsibilities of the Governing Body / Trustees**

The Governing Body / Trustees are responsible for:

- Complying with the Nottinghamshire County Council or Trust Health and Safety Policy and arrangements.
- Formulating and ratifying the school health and safety statement and health and safety plan.
- School to have access to health and safety competent advice as stated in Regulation 7 of the Management of Health and Safety at Work Regulations.
- The site and premises is maintained in a safe condition and that appropriate funding is allocated to this area from the budget.
- Prioritising action on health and safety matters where resources are required from the school budget. Any hazards which the school is unable to rectify from the school budget must be reported to the Local Authority or Trust.
- Regularly reviewing health and safety arrangements (minimum annually) and implementing new arrangements where necessary.
- Promoting high standards and develop a positive culture of health and safety within the school.
- Employees to have necessary competence to conduct their duties in relation to health and safety matters.
- Risk assessments are completed and recorded of all the schools work activities (including those off-site) which could constitute a significant risk to the health and safety of employees and others.
- The statement of intent and other health and safety documentation is drawn to the attention of all employees.
- Conduct active and reactive monitoring of health and safety matters in the school.

## **Responsibilities of the Principal**

The Principal is responsible for:

- The day to day management of health and safety matters in the school in accordance with the health and safety policy and ensuring the health and safety arrangements are carried out in practice.
- Risk assessments are completed and recorded of all the schools work activities (including those off-site) which could constitute a significant risk to the health and safety of employees and others.
- Conduct active and reactive monitoring of health and safety matters in the school and remedial action is taken (where necessary) to reduce risk.
- Information regarding health and safety matters will be communicated to the relevant individuals.
- Identify staff health and safety training requirements and make arrangements for provision.
- Establish and attend the schools health and safety committee (where appropriate).
- Developing and/or reviewing the school annual health and safety action plan.
- Co-operating with and providing necessary facilities for trade union safety representative(s).
- Participating in the Local Authority / Trust health and safety auditing arrangements and ensuring audit action plans are implemented.
- Monitoring the purchasing and maintenance of equipment and materials with regards to compliance with current health and safety standards.
- Employ only competent contractors to work on the school site.
- Seek specialist advice on health and safety matters where appropriate.
- Implement formal arrangements for managing emergency situations.
- Compliance with the requirements of the Occupier's Liability Act.

**Note: In the absence of the Principal these responsibilities fall to their immediate deputy.**

## **Responsibilities of the Health and Safety Co-ordinator (must be a Senior Member of Staff)**

Responsible to the Principal for:

- Attending appropriate health and safety training courses to enable them to discharge their duties effectively.
- Promoting health and safety matters throughout the school and assisting the Principal in the implementation of the health and safety policy and arrangements.
- Maintenance of health and safety documentation and associated records to ensure they remain up to date with current legislation and good practice.
- Implement a health and safety notice board and sure it is kept up to date.
- The correct accident reporting procedures are followed and where appropriate accidents, incidents and near misses are investigated.
- Conduct routine health and safety inspections and implement a method of internal audit. A system must be in place to monitor and respond to any identified remedial actions.
- Implementing procedures for the authorisation of school visits.
- Participating in health and safety audits arranged by the Local Authority / Trust.
- Providing health and safety induction training for all new employees.
- Maintenance of health and safety training records including the provision of refresher training.
- Statutory inspections are completed, and records kept.
- Emergency drills and procedures are carried out regularly and monitored for effectiveness.
- Monitoring contractors on site and conduct a formal, documented induction.
- Attend the schools health and safety committee (where appropriate).

**Note: In the absence of a designated Health and Safety Co-ordinator the above responsibilities will fall to the Principal.**

## **Responsibilities of all Employees**

All employees at the school have responsibility to:

- Take reasonable care for the health and safety of themselves and others when undertaking their work.
- Checking classrooms, work areas and equipment are safe.
- Ensure safe working procedures are followed as outlined within health and safety policy and risk assessments.
- Co-operating with the Local Authority / Trust / Trustees and Principal on all matters relating to health and safety by complying with the health and safety policy.
- Not intentionally or recklessly interfering or misusing equipment or fittings provided in the interests of safety or welfare.
- Reporting immediately to their Line Manager or Head Teacher / Principal any serious or immediate danger.
- Reporting to their Head Teacher / Principal any shortcomings in the arrangements for health and safety.
- Only use equipment or machinery which they are competent to use or have been trained to use.
- Participating in health and safety inspections and the health and safety committee (where appropriate).

## **Arrangements**

### **Co-ordination and Communication**

#### **Health and Safety Co-ordinator**

|  |                          |
|--|--------------------------|
| Senior member of staff in the school with special responsibility for health and safety matters (Health and Safety Co-ordinator): | Ruth Harrison/Steve Ford |
|--|--------------------------|

#### **Safety Representatives and Safety Committees**

|   |    |
|---|----|
| Employee(s) appointed as a safety representative by their association or trade union: | NA |
|---|----|

## Health and Safety Committee

The members of the School Health and Safety Committee are:

| <b>Name</b>             | <b>Job Title</b>  |
|-------------------------|-------------------|
| Ryan Latkowski          | Year Group Lead 6 |
| Hannah Bee              | Year Group Lead 5 |
| Heather Warren          | Year Group Lead 4 |
| Rebecca Turner-Mitchell | Year Group Lead 3 |

## Emergencies

|   |                                     |
|---|-------------------------------------|
| Senior member of staff in the school with responsibility the development, maintenance and implementation of the emergency plan: | Mrs Ruth Harrison                   |
| A copy of the emergency plan is available at:   | Main Office<br>Site managers Office |

| <b>The person (and deputy) responsible for ensuring and supervising (where appropriate) the controlled evacuation of people from the building or on the site to a place of safety.</b> | <b>Person Responsible</b> | <b>Deputy</b>   |
|--|---------------------------|-----------------|
| Summoning of the emergency services.   | June Harriman             | Steve Gibson    |
| That a roll call is taken at the assembly point  | June Harriman             | Admin Assistant |
| That no-one attempts to re-enter the building until the all clear is given by the emergency services   | Steve Gibson              | June Harriman   |

**Note: The priorities are as follows:**

- **To ensure the safety of all persons, their removal from danger, their care and the application of first aid and medical treatment where appropriate.**
- **To call the emergency services when appropriate.**
- **To safeguard the premises and equipment, if this is possible without putting persons at risk.**

## Locations of Main Service Isolation Points

| <b>Service</b> | <b>Location of Isolation Point</b> |
|----------------|------------------------------------|
| Water          | Boiler House                       |
| Gas            | Boiler House and Main kitchen      |
| Electricity    | Room 4                             |

## **Severe Weather**

|   |              |
|---|--------------|
| During periods of severe weather, arrangements for maintaining safe access to, from and within the premises (e.g. clearing snow and ice) will be determined by: | Steve Gibson |
|---|--------------|

## **Accidents and Medical Arrangements**

### **Accident, Incident and Near Miss Reporting and Investigation**

Any employee who witnesses an accident, incident or near miss, or to whom one is reported, will make an entry in the accident report book as soon as possible after the event:

Accident book(s) are kept by the following people at the location specified:

| <b>Location of Accident Book</b>  | <b>Person in Charge of Accident Book</b> |
|---|--|
| Main Reception  | June Harriman                            |
| CPOMS   | Staff                                    |
| Accident reports must be drawn to the attention of the Head Teacher / Principal and where necessary reported via the Wellworker online system*: | Principal: Ruth Harrison                 |
|   | Deputy: Steve Ford                       |
| Person responsible for monitoring accidents, incidents and near misses to identify trends and patterns:   | June Harriman<br>Steve Gibson            |

The following types of incident must be reported using the Wellworker online system:

- All accidents, incidents and near misses involving employees
- All instances of verbal abuse, aggressive behaviour and violence towards employees
- Any incidents which result in pupils or members of the public requiring further medical treatment
- Any incidents which are RIDDOR reportable.

Where accidents are found to be caused by faulty plant, equipment, premises or unsafe systems of work action must be taken to remove or isolate the hazard and warn people until the necessary modifications or repairs can be made.
