The Forest View Reading Round-Up

A WARM WELCOME

Join us for our Spring term 2 reading round-up, highlighting some fab new book releases for children and a little information about a big event coming up this term. As well as this, we wanted to highlight some exciting things we have taken part in, in school so far this term!

ROUND-UP OVERVIEW:

- A look at some new books released.
- World Book Day 2022!
- National Storytelling Week!

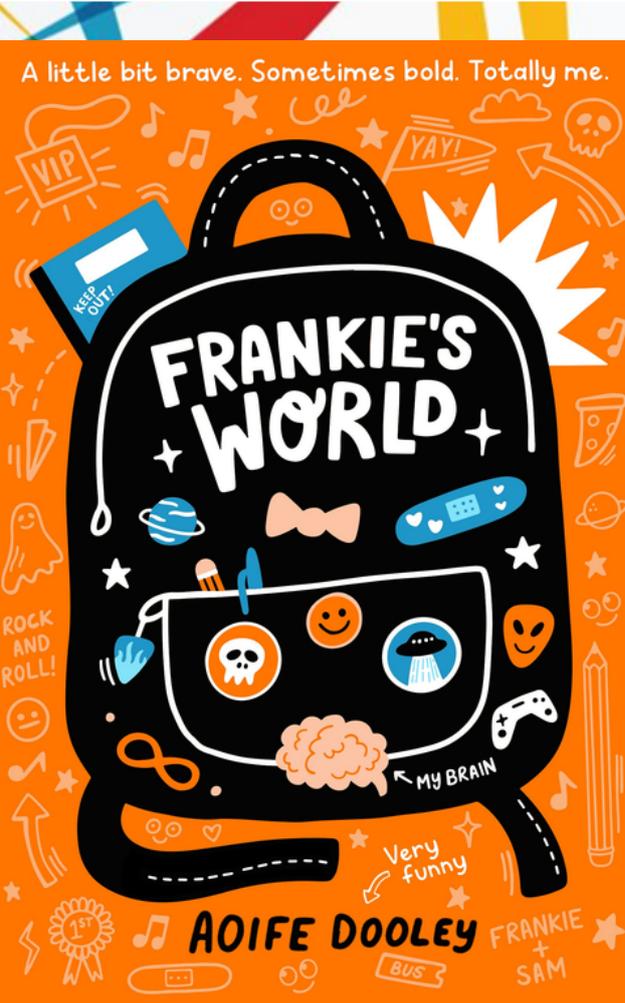

NATIONAL STORYTELLING WEEK

Just before we broke up for half-term we had the pleasure of celebrating National Storytelling Week. Miss Booth gave each class a new picture book to read and children spent time reading this in class.

Miss Booth also opened up the VIP Reader's Room every lunchtime for different year groups to come in and read, share books and listen to books being read. This term each year group will be given a week to visit the VIP Reader's Room in their classes accompanied by their class teachers.

SPOTLIGHT - GRAPHIC NOVELS

Frankie's World by Aoife Dooley, 9+

Frankie knows she's not like anyone else in her class: she's different, but she can't quite figure out why. Is it the new freckle on her nose, or the fact she's small for her age? Or that she has to go to the hospital sometimes? Everyone else seems to think she's weird too, and they make fun of her at school.

Frankie's dad left when she was a baby – maybe he was different too? It would explain why she always feels like an alien. So she and her best-friend Sam, embark on a mission to track him down.

A graphic novel offering a unique perspective on Autism, told with humour and heart.
