

Our Mission: To improve the communities we serve for the better

Vision:

Challenging educational orthodoxies so that every child makes good progress in core subjects; all teachers are committed to personal improvement and fulfil their responsibilities; all children receive a broad and balanced curriculum; all academies strive to be outstanding.

Relationships and Sex Education (RSE) Policy

2025-2028

Aims

The aims of relationships and sex education (RSE) at our school are to:

- Provide a framework in which sensitive discussions can take place.
- Prepare pupils for puberty and give them an understanding of sexual development and the importance of health and hygiene.
- Help pupils develop feelings of self-respect, confidence, and empathy.
- Create a positive culture around issues of sexuality and relationships.
- Teach pupils the correct vocabulary to describe themselves and their bodies.

Statutory Requirements

As a junior academy school, we must provide relationships education to all pupils in accordance with section 34 of the Children and Social work act 2017.

We are expected to offer all pupils a curriculum that is similar to the National Curriculum, including requirements to teach science, which would include the elements of sex education contained in the science curriculum. In teaching RSE, we are required by our funding agreements to have regard to guidance issued by the secretary of state as outlined in section 403 of the Education Act 1996.

At The Forest View Academy, we teach RSE as set out in this policy.

Policy Development

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

1. Review – a working group pulled together all relevant information including relevant national and local guidance;
2. Staff consultation – all school staff were given the opportunity to look at the policy and make recommendations;
3. Parent/stakeholder consultation – parents and any interested parties were invited to give their comments about the policy;
4. Pupil consultation – we investigated what exactly pupils want from their RSE;
5. Ratification – once amendments were made, the policy was shared with governors and ratified.

Definition

RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, healthy lifestyles, diversity and personal identity.

RSE involves a combination of sharing information, and exploring issues and values.

Curriculum

Our curriculum is set out as per Appendix 1, but we may need to adapt it as and when necessary.

We have developed the curriculum in consultation with parents, pupils and staff, taking into account the age, needs and feelings of pupils. If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner so children are fully informed and do not seek answers online.

Primary sex education will focus on preparing boys and girls for the changes that adolescence brings.

For more information about our curriculum, see our curriculum map in Appendix 1.

Delivery of RSE

RSE is taught in a cross-curricular approach, alongside the science curriculum, PSHE, ICT, RE, assemblies, school values and golden threads.

Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me
- Caring friendships
- Respectful relationships
- Online relationships
- Being safe

Across all Key Stages, pupils will be supported with developing the following skills:

- Communication, including how to manage changing relationships and emotions;
- Recognising and assessing potential risks;
- Assertiveness;
- Seeking help and support when required;

- Informed decision-making;
- Self-respect and empathy for others;
- Recognising and maximising a healthy lifestyle;
- Managing conflict;
- Discussion and group work.

In The Forest View Academy, we follow the scheme of work '**Changing and Growing Up Relationships Education lesson pack (A Better Medway-Easier Ways to be Healthy)**', which has also been written by and awarded the quality mark by the PSHE Association.

These areas of learning are taught within the context of family life, taking care to ensure that there is no stigmatisation of children based on their home circumstances. (Families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures). We are also sensitive to the fact that some children may have a different structure of support around them (for example: looked after children or young carers).

Roles and Responsibilities

The Board of Trustees

The Board of Trustees has approved this policy and will hold the Principal of each academy to account for its implementation.

The Principal

The Principal of each academy is responsible for ensuring that RSE is taught consistently across the school, and for managing requests to withdraw pupils from any non-statutory components of RSE.

Staff

Staff are responsible for:

- Delivering RSE in a sensitive way;
- Modelling positive attitudes to RSE;
- Monitoring progress;
- Responding to the needs of individual pupils;
- Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory components of RSE.
-

Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the Principal.

Pupils

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity.

Parents' Right to Withdraw

Parents have the right to withdraw their children from the non-statutory components of RSE. Before doing so, parents are encouraged to talk to the class teacher and/or view teaching resources in order to inform any decisions regarding withdrawing their child. Requests for withdrawal should be put in writing and addressed to the Principal. A copy of withdrawal requests will be placed in the pupil's educational record. The Principal will discuss the request with parents and take appropriate action. Alternative work will be given to pupils who are withdrawn from RSE. The RSE curriculum will be shared with parents to ensure coverage if pupils are withdrawn. The RSE policy will be shared with any parents who wish to withdraw their child.

Training

Staff are trained on the delivery of RSE as part of their induction and it is included in our continuing professional development calendar.

The Principal will also invite visitors from outside the school, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE where required.

Monitoring

The delivery of RSE is monitored by the Senior Leadership Team (SLT) through planning and book scrutiny, learning walks and pupil voice.

Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.

This policy will be reviewed by Trustees on an annual basis. At each review, the policy will be approved by the Board of Trustees.

Appendix 1: Scheme of Work for Year 1 to Year 6

	Lesson title and summary	PSHE education Programme of Study	DfE statutory RSHE guidance, key stages 1 and 2
Year 1 and 2	<p>1. <i>My special people</i> We are learning about the special people in our lives and how we care for one another</p> <p>2. <i>We are growing: human life cycle</i> We are learning about how we change as we grow</p> <p>3. <i>Everybody's body</i> We are learning to name different parts of the body, including genitalia</p>	<p>H25. to name the main parts of the body including external genitalia (e.g. vulva, vagina, penis, testicles)</p> <p>H26. about growing and changing from young to old and how people's needs change</p> <p>R1. about the roles different people (e.g. acquaintances, friends and relatives) play in our lives</p> <p>R2. to identify the people who love and care for them and what they do to help them feel cared for</p> <p>R13. to recognise that some things are private and the importance of respecting privacy; that parts of their body covered by underwear are private</p> <p>R20. what to do if they feel unsafe or worried for themselves or others; who to ask for help and vocabulary to use when asking for help; importance of keeping trying until they are heard</p> <p>R23. to recognise the ways in which they are the same and different to others</p> <p>L2. how people and other living things have different needs; about the responsibilities of caring for them</p>	<p>Caring friendships</p> <ul style="list-style-type: none"> • how important friendships are in making us feel happy and secure, and how people choose and make friends. • the characteristics of friendships, including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties. • that most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right.

<p style="text-align: center;">Year 3</p>	<p>1. <i>What makes a good friend?</i> We are learning about friendship, including why it is important and what makes a good friend</p> <p>2. <i>Falling out with friends</i> We are learning how to maintain good friendships and about solving disagreements and conflicts with peers</p>	<p>R10. about the importance of friendships; strategies for building positive friendships; how positive friendships support wellbeing</p> <p>R11. what constitutes a positive healthy friendship (e.g. mutual respect, trust, truthfulness, loyalty, kindness, generosity, sharing interests and experiences, support with problems and difficulties); that the same principles apply to online friendships as to face-to-face relationships</p> <p>R13. the importance of seeking support if feeling lonely or excluded</p> <p>R14. that healthy friendships make people feel included; recognise when others may feel lonely or excluded; strategies for how to include them</p> <p>R17. that friendships have ups and downs; strategies to resolve disputes and reconcile differences positively and safely</p> <p>R18. to recognise if a friendship (online or offline) is making them feel unsafe or uncomfortable; how to manage this and ask for support if necessary</p>	<p>Respectful relationships</p> <ul style="list-style-type: none"> practical steps they can take in a range of different contexts to improve or support respectful relationships <p>Online relationships</p> <ul style="list-style-type: none"> that the same principles apply to online relationships as to face-to-face relationships, including the importance of respect for others online including when we are anonymous. <p>Being safe</p> <ul style="list-style-type: none"> about the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe.
<p style="text-align: center;">Year 4 and 5</p>	<p>1. <i>Puberty: time to change</i> We are learning about the physical changes that happen during puberty</p> <p>2. <i>Puberty: menstruation and wet dreams</i> We are learning about the biological changes that happen during puberty</p> <p>3. <i>Puberty: personal hygiene</i> We are learning about the importance of personal hygiene during puberty</p> <p>4. <i>Puberty: emotions and feelings</i> We are learning about emotional changes during puberty</p>	<p>H15. that mental health, just like physical health, is part of daily life; the importance of taking care of mental health</p> <p>H17. to recognise that feelings can change over time and range in intensity</p> <p>H18. about everyday things that affect feelings and the importance of expressing feelings</p> <p>H19. a varied vocabulary to use when talking about feelings; about how to express feelings in different ways;</p> <p>H20. strategies to respond to feelings, including intense or conflicting feelings; how to manage and respond to feelings appropriately and proportionately in different situations</p> <p>H26. that for some people gender identity does not correspond with their biological sex</p> <p>H30. to identify the external genitalia and internal reproductive organs in males and females and how the process of puberty relates to human reproduction</p> <p>H31. about the physical and emotional changes that happen when approaching and during puberty (including menstruation, key facts about the menstrual cycle and menstrual wellbeing, erections and wet dreams)</p> <p>H32. about how hygiene routines change during the time of puberty, the importance of keeping clean and how to maintain personal hygiene</p> <p>H34. about where to get more information, help and advice about growing and changing, especially about puberty</p>	<ul style="list-style-type: none"> how to recognise and report feelings of being unsafe or feeling bad about any adult. how to report concerns or abuse, and the vocabulary and confidence needed to do so. where to get advice e.g. family, school and/or other sources. <p>Mental wellbeing</p> <ul style="list-style-type: none"> that mental wellbeing is a normal part of daily life, in the same way as physical health. that there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in relation to different experiences and situations. how to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings.

Year 6	<p><i>1. Puberty: recap and review</i> We are learning about the changes that happen during puberty (recap from year 4-5)</p> <p><i>2. Puberty: change and becoming independent</i> We are learning about managing change and becoming more independent</p> <p><i>3. Positive and healthy relationships</i> We are learning about positive, healthy relationships</p> <p><i>4. How babies are made</i> We are learning about how a baby is made</p>	<p>In addition to recapping on the Year 4 and 5 content:</p> <p>H24. problem-solving strategies for dealing with emotions, challenges and change, including the transition to new schools</p> <p>H33. about the processes of reproduction and birth as part of the human life cycle; how babies are conceived and born (and that there are ways to prevent a baby being made); how babies need to be cared for</p> <p>H35. about the new opportunities and responsibilities that increasing independence may bring</p> <p>H36. strategies to manage transitions between classes and key stages</p> <p>R1. to recognise that there are different types of relationships (e.g. friendships, family relationships, romantic relationships, online relationships)</p> <p>R2. that people may be attracted to someone emotionally, romantically and sexually; that people may be attracted to someone of the same sex or different sex to them; that gender identity and sexual orientation are different</p> <p>R5. that people who love and care for each other can be in a committed relationship (e.g. marriage), living together, but may also live apart</p> <p>R6. that a feature of positive family life is caring relationships; about the different ways in which people care for one another</p> <p>R30. that personal behaviour can affect other people; to recognise and model respectful behaviour online</p> <p>R31. to recognise the importance of self-respect and how this can affect their thoughts and feelings about themselves; that everyone, including them, should expect to be treated politely and with respect by others (including when online and/or anonymous) in school and in wider society; strategies to improve or support courteous, respectful relationships</p>	<p>Changing adolescent body</p> <ul style="list-style-type: none"> key facts about puberty and the changing adolescent body, particularly from age 9 through to age 11, including physical and emotional changes. about menstrual wellbeing including the key facts about the menstrual cycle.
